

## MISSOURI HEADWATERS STATE PARK GEOCACHE CHALLENGE

This summer explore the trails and treasures of Montana during the Missouri Headwaters State Park **GeoCache Challenge!** This family oriented program lets you experience Montana's heritage and legacy while competing to win prizes. Using a GPS unit or compass, participants find answers to trivia questions located throughout the park. The GeoCache Challenge is offered from May through September 2007. Every week has a new challenge!

For further information visit Missouri Headwaters State Park or contact Fish, Wildlife & Parks at (406) 994-6934.
